

*Bridging the gap between Quantum and Business*

## **MEMBERSHIP APPLICATION**

June 2018

*Bridging the gap between Quantum and Business*

This Membership Application (the "Application") is made as on \_\_, \_\_\_\_\_, 2018,

Between

\_\_\_\_\_ ("The Applicant"); a company/organization/individual based in the country of \_\_\_\_\_ with Tax Identification Number \_\_\_\_\_, Address at \_\_\_\_\_, Phone \_\_\_\_\_, Contact Name \_\_\_\_\_ and Function \_\_\_\_\_, email \_\_\_\_\_,

And

the Quantum World Association ("QWA"), an Association based in Barcelona (Spain) with tax identification number G66940693.

WHEREAS, the QWA, a non-for-profit organization, is the global quantum association empowering companies and other quantum institutions to lead the future of quantum technologies and services.

WHEREAS, The Applicant is involved in projects related to the objectives of the Association.

WHEREAS, The Applicant requests becoming a Member of the QWA and wishes to collaborate with the development of the Association, as described below;

THEREFORE, The Applicant and the QWA agree as follows:

1. Membership approval. This application will be submitted to the QWA Admissions Board for its approval and The Applicant will be informed on its acceptance within 20 working days.
2. Development. The QWA has defined the strategy to internationally develop the Association and, once the application is approved, will collaborate with The Applicant in regards to i) develop the QWA with new memberships and ii) support on-going activities, work groups, events and projects to promote the QWA.
3. Press Releases. Press releases or announcements to the public, the media or the industry will be done by QWA in coordination with The Applicant.
4. Expenses. Each party will be responsible for its own expenses in connection with the activities described in this Membership Application.
5. Fees. The Applicant's annual fees are defined in the current "QWA Membership Benefits" document and shall be applied pro-rata for the first year of membership.
6. Governing Law; Jurisdiction. The QWA is governed by Spanish law and subject to arbitration under the rules of the Arbitration Court of Barcelona.

The undersigned acknowledge their understanding of and consent to the terms above, and confirm their authority to sign on behalf of the party indicated.
